

MITE RULES

1. **GAME TIME:** 6:30pm. A 15 minute grace period is allowed if there are not enough players at game time. This does not extend the length of the game. We ask all players to arrive 20 minutes prior to game time to allow for proper warm up. To constitute a game there must be at least 7 players. Any less will result in a forfeit of the game (7-0 loss). If, on the chance that both teams have less than 7 players the result is a makeup game.
2. **24 HOUR RULE:** Any Cambridge Minor Softball League member, parent and/or spectator is not to approach a coach to discuss a game, a game incident or a situation that occurred during the game that has provoked an adverse emotional response or a hostile situation until at least 24 hours after the fact. Same rule above will apply to coaches.
3. **INNINGS:** No new inning will start after 75 minutes (7:45pm) or 5 innings, whichever comes first. If the home team is winning before the bottom of the last inning of the game, depending on the time left, there is no need to take the last at bats (4th and 5th innings are open). The umpire may call the game earlier if darkness is a concern.
4. **RUNS:** A maximum of 5 runs per team may be scored in any inning. In the open innings the teams may score as many runs as they can until the defensive team gets three outs, or you bat through your order twice.
5. **MERCY RULE:** If the home team is ahead by 12 runs after 3½ innings or the visitors are ahead by 12 runs after 4 complete innings.
6. **RAINOUTS:** The umpires, at their discretion, shall call the game if the field becomes too wet to play on. The game will continue in a light drizzle but will be delayed at the first sign of lightning. A 20 minute delay will occur to see if the rain slows down or stops or if any more lightning is seen. Safety of the players is our main concern. A full game is 3 complete innings or 2½ if the home team is winning. This is only for determining if the game has to be moved to a rain date.
7. **DOUBLE SAFETY BAG:** The white portion is securely fastened in fair territory and the orange portion is fastened in foul territory. Any base runner running only to 1st base must touch the orange base. If proceeding to 2nd base on the hit, only the white bag needs to be touched by the runner.
8. **BASE RUNNING:** All base runners are prevented from sliding into 1st base. If this occurs, the umpire will call you out at 1st base whether you are safe or not.
9. **STEALING:** When stealing a base the runner must keep one foot touching the white portion of any base until the ball crosses the plate. Players may steal a base after this occurs but must return to the base that they left from on a foul ball. If the base runner leaves too early the umpire will call them out for a lead off. There will be no stealing or sliding into home plate. No stealing on a throwback to the pitcher. No player will steal any base while the coach is pitching.
10. **PLAYERS:** No player shall sit out for 2 innings until all the players have sat at least once. There are no lead offs, no walks and no bunting when there is a coach pitching.
11. **PITCHERS:** The pitcher must start with two feet on the mound. No hopping is allowed. A pitcher may only pitch a maximum of **three** innings per game. A pitcher can pitch **two** consecutive innings. Whether a pitcher starts or finishes an inning it will be considered an inning pitched.

12. **CATCHERS:** The catcher must wear protective equipment at all times. This includes a mask, shin guards and chest protector.
13. **OVERTHROWS:** An overthrow occurs when the ball goes out of play on the 1st or 3rd base side of the field. There is no advancement by the runners on an overthrow. No base advancements on an overthrow from the catcher on an attempt to throw a runner out for stealing a base.
14. **UNIFORMS:** PROPER ATTIRE will consist of team jersey, pant, CS ball cap, and baseball cleats or running shoes with laces. Uniforms must be worn in a respectful manor. No tying your jersey at the waist with skin or an undershirt showing. Baseball cleats are allowed. NO soccer or metal cleats. NO shorts, jeans, wind pants (with snaps or zippers on the legs), tights, crocs or sandals for either games or practices. Any player showing up not in proper attire will not be allowed to play or practice. No skin showing from the waist down and socks should be 3" above the ankle. Any defensive player may wear the proper face mask/guard in any position except catcher. This is not a helmet; this is a pitchers/infielders mask. OASA rule #3, section #6.
15. **JEWELRY:** Jewelry is not allowed. This includes but is not limited to bracelets, rings, piercings, earrings (if new must be covered with a band aid), necklaces and watches of any kind. Medical alert jewelry of any kind is permitted as long as it is covered with a white wristband and not on the pitching arm.
16. **BATTING HELMETS:** Must be CSA approved with two ear pieces, chin strap and face guard. Helmets are mandatory for all batters, on deck batters and base runners. Batter must leave his/her helmet on until they leave the playing field. Failing to do so will result in the batter being called out even if they crossed home plate. Helmets are not permitted to be worn in the infield or outfield; however team caps must be worn in a respectful manner on the infield or outfield positions (i.e. front facing). Only sunglasses with shatterproof lenses and prescription glasses are allowed to be worn on the field.
17. **INJURIES:** Any player injured in the game may leave the game with no penalty to their team. This means no out in the batting order will occur. Severe injuries that result in a player leaving the game or missing a game must have a doctor's note to return to the line up. All injuries must be reported to the CMSI convener by the coach. If a coach fails to report an injury, it may result in a game suspension. Any bleeding or open wound must be covered before a player can re-enter the game. Another runner (last out) or defensive player can be used in the injured player's spot.
18. **PLAYING FIELD:** 11" ball, pitcher's mound at 30 feet from the back of the plate, 45 foot base path
19. **CALL UPS:** The purpose of using a called up player is to ensure that you have enough players to field a team and no position is left empty. When calling up a player, your roster cannot total more than 10. No player shall be benched when a called up player is used. For example, if you have only 9 players, you may call up one player from the division below you, not above, to total 10 (1 player per position in the field).
